Thank you for your interest in the High Line. From sweeping views of the Hudson River to the raw, structural elements from the elevated railway’s industrial past, the High Line provides a safe outdoor experience in an unrivaled New York City setting.

Founded in 1999 by a group of community residents, Friends of the High Line fought for the High Line’s preservation and transformation at a time when the historic structure was under the threat of demolition. It is now the nonprofit conservancy working with the New York City Department of Parks & Recreation to make sure the High Line is maintained as an extraordinary public space for all visitors to enjoy.

Through our work with communities on and off the High Line, we’re devoted to reimagining the role public spaces have in creating connected, healthy neighborhoods and cities.

Rental fees help keep the High Line clean, welcoming, and free to the public for all visitors to enjoy.

The Spur, adjacent to Hudson Yards and Manhattan West. Simone Leigh’s Brick House (June 2019 - May 2021)

The High Line’s venues vary in size and scale, offering unlimited possibilities for transformation.
Brand alignment
The High Line is one of the world’s most innovative and beloved public spaces, offering visitors an outdoor experience unmatched anywhere else in New York.

Brands that activate on the High Line are excited to align with the park’s forward-thinking design, sustainable practices, world-class art, and downtown location.

Promotion opportunities
The High Line promotes public-facing events and retail pop-ups across our communications channels, based on each partner’s marketing needs.
